

Bulk Ink System with Smartcards for Mutoh™ Valuejet™

Product Bulletin

Realizing the increasing demand for longer printing hours without the hassle of cartridges replacement and other constrains, Bordeaux is introducing an Ink Bulk System for simpler ink changeover for the Mutoh Valuejet featuring Smartcard Solution.

Smartcard(440ml) Solution

Mutoh printer use smartcard for their printer. Originally smartcard should be located on the front of cartridges, and you should take out cartridges to replace every 440ml smartcard. But with cartridges with smartcard socket on the back, you do not need to remove cartridges. Just insert in and take out smartcard on the ziff socket.

New Ink 900ml Bags

Bordeaux has developed a 900ml ink bag, which was vigorously tested for durability and accurately fits into the bulk system cartridges. The ink bags are easy to store, use and dispose, eliminating ecological constrains.

The cards are programmed with 440ml ink capacity, so with a single resetting the cards will last for 440ml of ink flow.
